Admission Process

1. **Check Eligibility :**

   Review the age norms, available classes, and admission requirements before applying.

2. **Submit an enquiry:**

   Complete the enquiry form or contact our admissions team.

3. **Visit the school:**

   Schedule a campus visit to meet our team and explore the learning environment.

4. **Apply Online:**

   Submit the online application form and required documents.

5. **Document Verification :**

   Our Admissions Office will review the application and verify the submitted documents.

6. **Confirm Admission :**

   Once approved and subject to seat availability, complete the required fee payment and enrollment formalities to confirm admission.

Please Note:

- Admissions are offered on a first-come, first-served basis, subject to age eligibility, availability of seats, and successful document verification.
- Parents are encouraged to submit a complete application early.
- Green Valley School does not conduct interviews, admission tests, or interaction sessions for students or parents.
- Submission of an application does not guarantee admission; a seat is confirmed only after approval from the school and completion of the required enrollment formalities and fee payment.
